# 2022 Funding & Learning Priorities

*Who We Gave To: Our 2022 Giving Guide*

Theme: Arts & Community Culture / Priority: Community Cultural Preservation

Investing in systemically under-resourced communities by supporting the preservation of language, stories, performing arts, sites, crafts, relationships to land, forms of subsistence, and other cultural traditions.

Theme: Housing & Hunger / Priority: Mental Health & Housing

Focusing on the intersection of mental health and housing and supporting organizations that address the many ways trauma and mental health can create additional challenges and unique needs in housing.

Theme: Law, Justice, and Incarceration / Priority: School to Prison Pipeline

Focusing on the relationship between our education system and our justice system, and the trend of young adults being funneled into detention, creating a pipeline from school to jail.
