2022 Funding & Learning Priorities

Who We Gave To: Our 2022 Giving Guide

Theme: Arts & Community Culture / Priority: Community Cultural Preservation
Investing in systemically under-resourced communities by supporting the preservation of language, stories, performing arts, sites, crafts, relationships to land, forms of subsistence, and other cultural traditions.

Theme: Housing & Hunger / Priority: Mental Health & Housing
Focusing on the intersection of mental health and housing and supporting organizations that address the many ways trauma and mental health can create additional challenges and unique needs in housing.

Theme: Law, Justice, and Incarceration / Priority: School to Prison Pipeline
Focusing on the relationship between our education system and our justice system, and the trend of young adults being funneled into detention, creating a pipeline from school to jail.
